

Special Exception Application

In specific instances, an applicant may be entitled to present a request for a Special Exception before the Dunwoody Zoning Board of Appeals (ZBA). For instance, if an applicant cannot meet all the standards and regulations of the off-street parking or loading space requirements found in the city's Zoning Ordinance, that applicant may be entitled to present a request for a Special Exception before the Dunwoody Zoning Board of Appeals (ZBA). The board may waive or reduce the required number of parking spaces or the required number of loading spaces in any district only upon an expressed finding that:

1. The character of the use of the building(s) is such as to make unnecessary the full provision of parking or loading spaces; or
2. The lot upon which the building(s) is/are located is within one thousand (1,000) feet of the boundary of a MARTA Rapid Transit Station.
3. The provision of the full number of parking spaces would have a deleterious effect on a historic building, site, district or archaeological resource.

You will need to complete and submit your Special Exception Application by the 1st Thursday of the month in order for the request to be heard at the next available scheduled meeting. The Zoning Board of Appeals meets the first Thursday of each month at 7:00 p.m. in the Dunwoody City Hall, located at 41 Perimeter Center East, Dunwoody, GA 30346. See the attached ZBA calendar for deadline dates and the Application Checklist for complete application requirements.

You must present your request to the Board in the form of a hardship that you will experience if the strict application of the zoning regulation is enforced. The process is very similar to the Zoning and Variance process, and when granting a Special Exception, the Zoning Board of Appeals may impose requirements and conditions to protect adjacent properties and the public interest. Any application for a Special Exception must be supported by written verification pursuant to the questions listed on the attached Special Exception Application Requirements.

Please fill out the attached application form, as well as the supplemental information as required in the attached Application Checklist.
